Memo

Letter No ¹²⁹¹/₃₀₉ dated
30th September 1895, from
the Deputy Commissioner
Kolar District.

On the 26th December
1892, two merchants of
Chikkballapur, by name
Venkayalu Dodda Rangaiah
and Nagarath Chikanna
presented a joint petition
to the Amildar of Chikkballa-
pur offering to deposit
Rs 3000. each as an
endowment for the purpose
of feeding travellers
and Sanskrit students
in the Chattram at
Chikkballapur, and
praying that the money

may be received in the
Government Treasury
as a deposit on 5 per
cent interest under
the Rules laid down in
Govt. Pro. No. $\frac{492.500}{22}$
dated 9th August 1892.

2. On the same day
the Amildar received
the sum of Rs 6000/-
from both the petitioners
and reported the matter
to the Sub-Division Officer,
stating that he would
make the necessary arrange-
ments to carry out the
wishes of the donors,
should the Government
be pleased to accept
the deposit. The Sub-Division
officer took no action
in the matter till the
19th April 1893, when he
submitted the Amildar's

report for the orders
of the Deputy Commissioner.
The Deputy Commissioner
then asked the Sub-Division
officer to obtain from the
donors a Mutchalika
binding themselves and
their heirs not to demand
the return of the deposit
amount at any time,
as laid down in Rule
4 of the Proceedings of
the 7th August 1892, and
also to report what
arrangements would be
made for the conduct of
the feeding and for ^{the} proper
supervision of the Charity.

3. Though the foregoing
order of the Deputy Commissioner
was issued in May 1893,
yet it was not until
June 1894, that the Sub-
Division officer referred

it to the Taluk Amildar
for enquiry and report,
on the points referred
to therein - the intervening
period of nearly 13
months having been
taken up in some
minor correspondence
between the Sub-Division
Officer and the Deputy
Commissioner. There was
then a further delay
of about 6 months on
the part of the Amildar
to furnish the information
called for by the Deputy
Commissioner.

4. In the meanwhile
both the donors Dodda
Ranganna and Chikanna
died leaving behind them
heirs as shown below:— (1)

Dodda Ranganna (dead)
| = widow Naranamma.
Son = Dodda Hanumanthappa
• = widow

of their mother, who as natural guardian, has obtained a certificate of guardianship.

(2)
Chikamma (dead)
= widow, Kudamma
no issues.

5. On the 16th December 1894, Lakshmiamma, the guardian of the minor grandsons of Dodda Ranganna, represented to the Sub. Division officer of Chikballapur, that she did not like to devote the interest on the sum of Rs 3000/- deposited by her deceased father-in-law for the feeding of travellers in the Chikballapur Chattram as desired in the petition of the latter, but that she wished to utilize the same for the purposes of Puja, Nairvedya and feeding of pilgrims in the Sri Rangana Mathaswam

temple at Rangasthala -
about 2 miles from
Chikballapur. The Sub-
- Division Officer, then
called upon the Amildar
to inquire and report
what the widow of the
other donor, Chikanna
had to say as regards
the disposition of the
amount of Rs 3000. 0. 0
deposited by him. The
deceased Chikanna's
wife Rudamma and
the other members of his
family, unanimously
stated that the deposit
of Rs. 6000. 0. 0 made by
the deceased Chikanna
and his friend Dodda
Ranganna should be
utilized only towards
carrying out the wishes
of

of the donors themselves,
viz, the feeding of travellers
in the Chattram at Chik-
-ballapur, which, they said,
was already being conducted
since February 1893, in
anticipation of Government
sanction to the payment
of 5. per cent interest.

6. On this the Sub-
- Division officer submitted
the following report to
the Deputy Commissioner
in reply to the latter's
reference made in May
1893.

"Lakshamma guardian
and mother of the minor
grandsons of the original
depositor of Rs 3000. u. u
now wishes that the fund
should be devoted to the
feeding of travellers
at the Rangasthala temple.

She is the sole represent-
- ative of Dodda Ranganna
and it is from her the
needful formal assign-
- ment of the funds
has now to be obtained,
without which the
assignment would
not become complete
and Government
control fully
- established over the
funds. Her idea is,
that, instead of
- feeding travellers
at Chikballapur
Chattram, the feeding
should be at the
temple. From her
point of view, this
proposal is doubtless
preferable. The question
is whether the
representatives
of

the other depositor have
a right to object to
such disposal of that
part of the funds
which belongs to the
representatives of
Ranganna. I think
not. Their request
relates to their own
money, and the
accident of Ranganna
and Gubanna
having written a
Joint petition does
not alter the owner-
ship and the
right of each depositor
to dispose of his
share of the money
according to his
best judgment.
If Ranganna's
representative
should refuse to

ratify the grant, the money will have to be returned to her.

"Similarly Chik. anna's representatives are at liberty to devote their portion of the funds according to their wishes.

"The representatives of both these depositors place the money under the absolute control of the Mysore Government for carrying out their objects which may be done by the Taluk Agency".

7. In the meanwhile on the 18th December 1894, a large number of residents of Chikballapur, on hearing of Lakshammamma's statement made before

the Sub-Division officer requesting permission to change the mode of charity, sent a petition to Government praying that her request may be disallowed, and the endowment accepted by Government on 5 per cent interest in view to carry out the original ^{intentions} ~~instructions~~ of the deceased donors. This petition was referred to the Deputy Commissioner for report.

8. ^{A month later on the 14th March} ~~in the meanwhile~~

the Government issued an order directing the stoppage of the receipt of all further deposits under the rules laid down in Govt Pro. No. $\frac{492.500}{22}$ dated 9th August 1892

Thereupon

Thereupon the Deputy
Commissioner wrote to
the Sub Division Officers
to ascertain if the represent-
-atives of the two donors,
in the present case,
were willing, to invest
the amount of Rs 6000.0.0
deposited by the latter
in Govt of India $3\frac{1}{2}$
per cent securities.

9 . Lakshamma,
the daughter-in-law of
the deceased donor
Dodda Ranganna,
deposed before the
Amildar that she was
unwilling to invest
the amount of Rs 3000/-
deposited by the latter
in the Government of
India securities, and
requested that if the

Government would not accept the deposit on 5 per cent under the Rules of the 9th August 1892, the amount itself might be returned to her to be invested elsewhere on more favorable terms as an endowment to carry out her intended charities at Rangasthala,

~~to~~. On the other hand, the representatives of the other donor Chikanna unanimously prayed that, considering that the 1st application of the donors was made and the money ^{also} paid to the Amildar in Dec^r. 1892, when the rules of the 9th August 1892, were in force, the Govt.

will be pleased to retain
the deposit and allow
interest on it at 5 per
cent, per annum, for
the purpose of carrying
out the wishes of both
the deceased donors.

They further added that
even in case the Govern-
ment could not allow
5 percent interest on
the deposit, the money
should not be returned
but should still be
retained by Government
on such interest as
may be allowed thereon
under the rules in
force and the income
so derived utilized
for the feeding of
travellers in the
Chattram.

10. The Deputy Com-
missioner to whom
the records were submitted
by the Ins. Insp. ^{in 1892}
passed the following
order

"The undersigned
cannot recommend the
acceptance of the deposit
under the order of the
9th August 1892, which
has since been withdrawn.

"The deposit
seems to have been
received by the Ins. Insp.
in December 1892
but this action
on his part was
not supported by
any authority
from Government
or from this office.

"The necessary
sanction could not
be obtained in time

owing to the non-receipt
of the requisite information
from the Sub
Division Officer, and
it is now too late to
seek the same.

"Under the
circumstances, the
amount must be
returned to the
proper heirs of the
persons by whom
it was deposited
if they are not
willing to invest
the same in the
Government of
India $3\frac{1}{2}$ per cent
securities."

12. Thoreupon Naranamma
~~Ludramma~~ widow
of the donor Doddda
Rangananna, petitioned
to Government praying

that the sum deposited
by her deceased husband
might not be returned
to her daughter in law,
Lakshamma, as
directed by the Deputy
Commissioner, but that
it might be retained
by Government for
the benefit of the
stipulated charity
on such interest as
the Government might
be pleased to allow
under the rules in
force. Another petition
to the same effect was
submitted to Government
by Chikkamuniappa
and 3 other residents
of Chikballapur. In
this latter, the petitioners
stated that several
persons

persons of Chikballapur
have been contributing
for the feeding of
students and needy
travellers under the
belief that the deposit
would be finally
accepted by Govern-
ment, and if it is ^{not} now
accepted the Institution
which was started $2\frac{1}{2}$
years ago by Chikanna
himself (one of the donors)
will have to be given
up.

13 The foregoing 2 .
petitions were referred
to the Deputy Commissioner,
for report, with the
remark that, if the
money had been actually
received by the Amildar,
the same may not

be returned to the heirs
of the deceased depositors
pending orders of
Government. The Deputy
Commissioner has ^{now}
~~accordingly~~ submitted
the records of the case
for the orders of Govt.

18. The questions to
be now considered are:-

(1) If the order
issued in March 1875
directing the stoppage
of all deposits under
the Proceedings of
the 9th August 1872

will affect deposits

made prior to the publi-

cation of that order

but not formally

accepted by Govt.

during the life-time

of the donors owing

The delay in the final
report of this case for the
orders of Govt is most
unsatisfactory but
this delay shd not be
allowed to defeat the
Charitable intentions of
the deceased Venkayya
Dada Ranganna &
Nagarath Chikanna
These men deposited
Rs. 6000 in the Taluk

Treasury on 26 Dec 72
for certain expressed charities, and
their deposits, made

the money was paid

heirs of the original
be allowed

to the unfortunate
delay that has
occurred in reporting
the case for the
orders of Govt

- (2) If the heirs
of one of the Donors
^{could} ~~may~~ be permitted
to change the
mode of the Charity

established by the
donor during
his life-time It
may also be
remarked here
that this subject
of the feeding at
the Chikballapur

The humble petition of the trustees
of the Charities of the late Kamaswamy
Chickanna of Chicka Ballapur

Respectfully Sheweth: —————

1. That the deceased Chickanna and
the deceased Venkagala Doda Ranganna
of Chicka Ballapur jointly deposited Rs 6000
on the 26th of December 1892 with the Amil-
dar of Chicka Ballapur for the purpose
of carrying out certain charities in
feeding the brahmins in connection
with the Chattram at Chicka Ballapur.

2. That the deceased Doda Ranganna
was on his death bed on the 26th Dec
1892 & therefore there was no time to be
lost in observing the formalities under
Govt proceedings of 9th Aug 92 No 492
500. As he was in earnest & would
22

not take his meals before the deposit
was made, the Amildar received the
deposit in anticipation of sanction

3. That the deceased had full confi-
dence in Chickanna, (who also-

unfortunately died six months later and therefore expressed a desire that the Charities should be managed by him and others who may be appointed trustees.

4 That Doddanungama died a few days after the deposit making over the money absolutely at the time of the deposit itself to Govt. to perpetuate his name in connection with the Charities.

5 That the deceased Chikkaiah the then surviving depositor took several leading merchants & gentleman of Chikka Ballapur into confidence & made temporary arrangements for feeding the poor & needy students & also the needy travellers in pursuance of the wishes of the deceased and of himself in anticipation of the final arrangements to be made in consultation with Govt.

6. That the work thus begun was managed by the deceased Chikkaiah and other Gentlemen till Chikkaiah's death & that it is now managed by Messrs. Lowcar Doddanookeyappa, Lett Annaiyappa, Lowcar Chikka, Mooneyappa & Basappa.

7. That the settlement of the question is still pending disposal after some correspondence between the Sub Divisional Officer of Chikka Ballapur & the Dy Commr of Kolar. Noochalikas were taken from the representatives of the parties.

8. That the order of Govt receiving deposit under favorable terms seems to have been since withdrawn.

9. That the Dy Commr seems to be of opinion that the deposit should be returned as the order of Govt of 9th Aug. 1892 is since withdrawn.

10. That the Petrs humbly submit that the order of 14th March 95 is applicable to cases of New Deposits. That the deposit in question was made in December 1892 ~~and under~~ and as such the Petrs pray that the Govt may be pleased to accept the deposit.

11. That one of the representatives viz the daughter-in-law of ~~the~~ Vankayala Doddappa Ranganna seems to be a little opposed to the investment of the Charity Fund in 3 1/2 per cent Govt Pro note as proposed by the Deputy Commissioner. While the wife & the 2^d Son are quite willing for any sort.

sort of investment - parties have de-
-posed to that effect before the Amildar

12. That the intention of the wife and
the son of the deceased Ranganama
is exactly in accordance with
those of the deceased & that they are
willing that the name of the deceased
should be perpetuated.

13 That the object of the deceased Ranganama
would be defeated if the representative
should now be permitted to withdraw
the money.

14. That the representatives of Chikka
& the son & wife of the other Depositor
Vijaya Ranganama are quite opposed to
the withdrawal of the amount while
the daughter-in-law of Ranganama
is only one that is wavering.

15 That the Petrs Submit that the deposit
became absolute so far as (their)
are concerned.

16. That the deceased Ranganama
& Chikkaama practically treated
the money to be not their private property
immediately after the deposit on
the 26th Dec 1892.

17. That the several other gentlemen
of

of Chikka Ballapur have been tem-
 -porarily contributing for the
 feeding of students and needy
 travellers with the belief that the ~~disposal~~
 would be finally accepted. That several
 other gentlemen of Chikka Ballapur
 have promised to contribute further
 sums of money for the feeding of the
 needy students and that if this
 amount is ordered to be returned
 the maintenance of the institution
 which came into existence about
 2½ years ago would be left in
 jeopardy.

18. That the Petrs pray that the Govt may
 be pleased to nominate one or
 two Govt officials to be members
 of the Management Committee
 with whom some private gentle-
 men will no doubt be found to co-
 operate among the members

of the latter is unwilling to allow
her late father-in-law's portion -

utilized for the purpose of funding

the same for the performance of
service in the temple at Rangasthal
Chikballapur Taluk. Her petition

existing circumstances, the sanction
of Government could not be obtained
for the acceptance of the deposit when
the orders of 9th August 1892 were in

4 If however the Government should
be pleased to think that the subsequent
orders prohibiting the receipt of such

From

Sir,

With reference to your Canarese gadast
No: 464 dated May 1893 calling for certain
particulars regarding a sum of Rs:
6000 deposited by two merchants Vancagal
Ranganna and Kannashetty Chikanna
of Chick Ballapur, I have the honor to
submit the accompanying file in which
will be found the statements of the
heirs of the deceased merchants.

2. Luchamma guardian and mother
of the minor grandsons of the original
depositor of Rs: 3000 now wishes that
the „ and should be devoted to feeding
„ amellers at the Rangaswala temple, she
is

is the sole representative of Woddla Ranganna and it is from him the needful formal assignment of the funds has now to be obtained, without which the assignment would not become complete and valid. Control fully established over the funds, Her idea is that instead of feeding travellers at Chikballapur Chattra the feeding should be at the temple. From her point of view this proposal is doubtless preferable. The question is whether the representatives of the other depositors have a right to object to such disposal of that part of the funds which belongs to the representatives of Ranganna. I think not. Their request relates to their own money and the accident of Ranganna and Chikanna having written a joint petition does not alter the ownership and the right of each depositor to dispose of his share of the money according to his

best judgment. If Ranganas representative should refuse to ratify the grant, the money will have to be returned to her.

3 Similarly Chethannas representatives are at liberty to devote their portion of the funds according to their wishes.

4 The representatives of both these depositors place the money under the absolute control of the Government for carrying out their objects which may be done by the Saluk agency.

I have the honor to be

Proceedings of the Government of Mysore, Muzrai, dated 10th February 1896.

READ :—

Petition No. 596, dated 1st August 1895, from one Naranamma, widow of Vankayalu Dodda Ranganna of Chikballapur.

Petition No. 170, dated 3rd August 1895, from one Dodda Muniyappa Setti and certain other residents of Chikballapur.

Kolar Deputy Commissioner's Letter No. 1291—309, dated 30th September 1895.

AND :—

The following note on the above by the Muzrai Secretary dated 23rd January 1896 :—

“ On the 26th December 1892, two merchants of Chikballapur, by name Vankayalu Dodda Ranganna and Nagarth Chikkanna presented a joint petition to the Amildar of Chikballapur offering to deposit Rs. 3,000 each, as an endowment for the purpose of feeding travellers and Sanskrit students in the Chattram at Chikballapur, and praying that the money may be received in the Government Treasury as a deposit on 5 per cent interest under the rules laid down in Government Proceedings No. 492—500—22, dated 9th August 1892.

2. On the same day, the Amildar received the sum of Rs. 6,000 from both the petitioners and reported the matter to the Sub Division Officer, stating that he would make the necessary arrangements to carry out the wishes of the donors, should the Government be pleased to accept the deposit. The Sub Division Officer took no action in the matter till the 19th April 1893, when he submitted the Amildar's report for the orders of the Deputy Commissioner. The Deputy Commissioner then asked the Sub Division Officer to obtain from the donors a Muchalika binding themselves and their heirs not to demand the return of the deposit amount at any time, as laid down in Rule 4 of the Proceedings of the 9th August 1892, and also to report what arrangements would be made for the conduct of the feeding and for the proper supervision of the charity.

3. Though the foregoing order of the Deputy Commissioner was issued in May 1893, yet it was not until June 1894, that the Sub Division Officer referred it to the Taluk Amildar for enquiry and report, on the points referred to therein—the intervening period of nearly 13 months having been taken up in some minor correspondence between the Sub Division Officer and the Deputy Commissioner. There was then a further delay of about 6 months on the part of the Amildar to furnish the information called for by the Deputy Commissioner.

4. In the meanwhile both the Donors Dodda Ranganna and Chikanna died leaving behind them, heirs as shown below :—

(1) Dodda Ranganna—Wife Naranamma. (dead) Son Dodda Hanumantappa—Wife Lakshamma. (also dead) 2 sons minors, under the protection of their mother, who, as natural guardian has obtained a certificate of guardianship.	(2) Chikkanna—Wife Rudamma. (dead) No issues.
--	--

5. On the 16th December 1894, Lakshamma, the guardian of the minor grandsons of Dodda Ranganna, represented to the Sub Division Officer of Chikballapur, that she did not like to devote the interest on the sum of Rs. 3,000 deposited by her deceased father-in-law for the feeding of travellers in the Chikballapur Chattram as desired in the petition of the latter, but that she wished to utilize the same for the purposes of Puja, Naivedya and feeding of pilgrims in the Sri Ranganathaswami temple at Rangasthala about 2 miles from Chikballapur. The Sub Division Officer then called upon the Amildar to enquire and report what the widow of the other donor Chikkanna had to say as regards the disposition of the amount of Rs. 3,000 deposited by him. The deceased Chikkanna's wife Rudamma, and the other members of his family unanimously stated that the deposit of Rs. 6,000 made by the deceased Chikkanna and his friend Dodda Ranganna should be utilized only towards carrying out the wishes of the donors themselves, viz—, the feeding of travellers in the Chattram at Chikballapur, which, they said, was already being conducted since February 1893, in anticipation of Government sanction to the payment of 5 per cent. interest.

6. On this, the Sub Division Officer submitted the following report to the Deputy Commissioner in reply to the latter's reference made in May 1893.

Proceedings of the Government of Mysore.

"Lakshmamma, guardian and mother of minor grandsons of the original depositor of Rs. 3,000, now wishes that the fund should be devoted to the feeding of travellers at the Rangasthala temple. She is the sole representative of Dodda Ranganna and it is from her the needful formal assignment of the funds has now to be obtained, without which the assignment would not become complete and Government control fully established over the funds. Her idea is, that, instead of feeding travellers at Chikballapur Chattram, the feeding should be at the temple. From her point of view, this proposal is doubtless preferable. The question is whether the representatives of the other depositor have a right to object to such disposal of that part of the funds which belongs to the representatives of Ranganna. I think not. Their request relates to their own money, and the accident of Ranganna and Chikkanna having written a joint petition does not alter the ownership and the right of each depositor to dispose of his share of the money according to his best judgment. If Ranganna's representative should refuse to ratify the grant, the money will have to be returned to her."

"Similarly Chikkanna's representatives are at liberty to devote their portion of the funds according to their wishes."

"The representatives of both these depositors place the money under the absolute control of the Mysore Government for carrying out their objects which may be done by the Taluk Agency."

7. In the meanwhile on the 18th December 1894, a large number of residents of Chikballapur, on hearing of Lakshmamma's statement made before the Sub Division Officer requesting permission to change the mode of charity, sent a petition to Government praying that her request might be disallowed, and the endowment accepted by Government on 5 per cent interest, in view to carry out the *original* intentions of the deceased donors. This petition was referred to the Deputy Commissioner for report.

8. A month later, on the 14th March 1895, the Government issued an order directing the stoppage of the receipt of all further deposits under the rules laid down in Government Proceedings No. 492-500—22, dated 9th August 1892. Thereupon the Deputy Commissioner wrote to the Sub Division Officer to ascertain if the representatives of the two donors, in the present case, were willing to invest the amount of Rs. 6,000 deposited by the latter in Government of India $3\frac{1}{2}$ per cent securities.

9. Lakshmamma, the daughter-in-law of the deceased donor Dodda Ranganna, deposed before the Amildar that she was unwilling to invest the amount of Rs. 3,000 deposited by the latter in the Government of India securities and requested that if the Government would not accept the deposit on 5 per cent under the rules of the 9th August 1892, the amount itself might be returned to her to be invested elsewhere on more favorable terms as an endowment to carry out her intended charities at Rangasthala. On the other hand the representatives of the other donor Chikkanna unanimously prayed that, considering that the 1st application of the donors was made and the money also paid to the Amildar in December 1892, when the rules of the 9th August 1892 were in force, the Government might be pleased to retain the deposit and allow interest on it at 5 per cent, per annum for the purpose of carrying out the wishes of both the deceased donors. They further added that, even in case the Government could not allow 5 per cent interest on the deposit, the money should not be returned but should still be retained by Government on such interest as might be allowed thereon under the rules in force and the income so derived utilized for the feeding of travellers in the Chattram.

10. The Deputy Commissioner to whom the records were submitted by the Sub Division Officer passed the following order:—

"The undersigned cannot recommend the acceptance of the deposit under the order of the 9th August 1892, which has since been withdrawn.

The deposit seems to have been received by the Amildar in December 1892, but this action on his part was not supported by any authority from Government or from this office.

The necessary sanction could not be obtained in time owing to the non-receipt of the requisite information from the Sub Division Officer and it is now too late to seek the same.

Under the circumstances, the amount must be returned to the proper heirs of the persons by whom it was deposited, if they are not willing to invest the same in the Government of India $3\frac{1}{2}$ per cent securities."

11. Thereupon, Naranamma, widow of the donor Dodda Ranganna, petitioned to Government praying that the sum deposited by her deceased husband might not be returned to her daughter-in-law Lakshmamma, as directed by the Deputy Commissioner, but that it might be retained by Government for the benefit of the stipulated charity, on such interest as the Government might be pleased to allow under the rules in force. Another petition to the same effect was submitted to Government by Dodda Muniyappa Setti and three other residents of Chikballapur. In this latter, the petitioners state that several persons of Chikballapur have been contributing for the feeding of students and needy travellers under the belief that the deposit would be finally accepted by Government, and that if it is not now accepted, the institution which was started 2½ years ago by Chikkanna himself (one of the donors) will have to be given up.

Muzrai, dated 10th February 1896.

12. The foregoing two petitions were referred to the Deputy Commissioner for report, with the remark that, if the money had been actually received by the Amildar, the same might not be returned to the heirs of the deceased depositors pending orders of Government. The Deputy Commissioner has now submitted the records of the case for the orders of Government.

13. The questions to be now considered are:—

- (1) If the order issued in March 1895, directing the stoppage of all deposits under the Proceedings of the 9th August 1892, will affect deposits made prior to the publication of that order, but not formally accepted by Government during the life-time of the donors, owing to the unfortunate delay that has occurred in reporting the case for the orders of Government.
- (2) If the heirs of one of the donors could be permitted to change the mode of the charity desired to be established by that donor during his life-time.

14. It may also be remarked here that this subject of the feeding at the Chikballapur Chattram has been frequently represented to Government in successive Dasara Assemblies."

No. 829-30—MUZ. F. 39-95, DATED, BANGALORE, 10TH FEBRUARY 1896.

ORDER THEREON.—The Government observe that the delay in the final report of this case for the orders of Government is most unsatisfactory; but this delay should not be allowed to defeat the charitable intentions of the deceased donors, Vankayalu Dodda Ranganua and Nagarhi Chikkanna. These men deposited Rs. 6,000 on the 26th December 1892 for certain expressed charities, viz., the feeding of Sanskrit students and needy travellers at the Chikballapur Chattram; and these deposits must be accepted at 5 per cent interest under the rules of the 9th August 1892 with effect from the date on which the money was paid into the Taluk Treasury.

2. The heirs of the original depositors cannot be allowed to modify the nature of the intended charities which should be carried out in strict accordance with the expressed wishes of the depositors Dodda Ranganua and Chikkanna above referred to.

From,

H. P. Ruttanna Chetty Esquire
Deputy Commissioner—
Kolar District—

To,

L. Anantarami Rao Esquire B.A.
Secretary to the Government of --
Mysore, Mysore Department.

Sir,

I have the honor to state that
in Proceedings No: 829-30 dated
Muz. Fr. 39-95
10th February 1896, Government
were pleased to ^{accept} the endowment
of Rs. 6,000/- made by Vankayala
Dodda Ranganna and Kagar-
tha bhikkanna and allowed
interest at 5% on the invested
capital for feeding the tra-
-vellers in the bhikballapur
chattram. The manager of this

This institution was periodically drawing the amount of interest from the Treasury and was spending it without submitting any account till June 1904, but after the circulation of your Kanarese circular order No: 180-2,39 dated 6th July 1904, the Amildar has been submitting the accounts furnished by the Manager showing the receipt, expenditure and the balance of the Institution.

2. At present the manager of the institution draws the full amount of interest from the Treasury and after defraying the expenses, keeps the balance him which the Amildar

Amildar shows in the accounts.

3. Though there has been no complaint on this score, yet there may come a time when this practice might lead to mis-appropriation of funds and the mismanagement of the Chattram affairs. The manager should not, I think, be allowed to keep the balance with him or to draw the whole interest from the Treasury over and above what is necessary for the current expenses. I would therefore request that orders may be passed similar to those issued ⁱⁿ Government Order No: 2,279-80 dated 18th December 1904 in connection

connection with the Kona halli or
chattram, i.e. that the interest
as it accrues may be drawn and
credited to the funds of the insti-
-tution and that the manager
may draw only such amount
as the Amildar may consider
necessary for expenses on produc-
-tion of proper accounts and
vouchers therefor to the Taluk
office.

I have the honor to be,
Sir,
your most obedient Servant
